

Snakes and Ladders: Revision Game

- Play remotely on social media with a friend or with someone at home.
- Come up with some questions on the subject or topic you are revising.
- Write your questions into as many squares as possible.
- When you are ready to play, you'll need a counter each and a dice to play.
- Roll the dice. If you answer the question correctly then you can roll on the next go. Miss a turn for a wrong answer.
- You must also answer a question correctly to move up a ladder.
- If you answer a question at a snake's head correctly, you can remain on that square. If the answer is incorrect, you must go down the snake.

30	31	32	33	FINISH!
29	28	27	26	25
20	21	22	23	24
19	18	17	16	15
10	11	12	13	14
9	8	7	6	5
START!	1	2	3	4

Thank you for playing.
