Q&A

WHAT ARE YOU STUDYING AND WHY?

I am a media production third-year student. I chose to study media production because I am a very creative individual who has always aspired to be in the media spectrum.

WHAT MADE YOU CHOOSE THIS SUBJECT?

After doing research, I knew that studying media production would allow me to learn a lot of media skills. For example editing using different software, photography, videography and media theories. This would result in me choosing areas I enjoy working in, am talented in and expand on them. As a third year student, I can say that studying media production allowed me to realise how amazing I am at videography and editing.

WHAT IS THE DIFFERENCE BETWEEN SCHOOL AND UNIVERSITY?

In school, teachers take care of you, try their hardest to motivate you to revise and write assignments. In university, you are treated as an adult, your education is your responsibility, you motivate yourself, you are in control of how you spend your time and if you need help, you have to go out there and ask for it.

WHAT IS IT LIKE LIVING ON CAMPUS?

Living on campus is good, it makes you meet friends quickly and most importantly, it is close to uni so you are never late for lectures

Q&A

IF YOU COULD DO ANYTHING DIFFERENTLY IN YOUR TIME AT UNIVERSITY SO FAR, WHAT WOULD IT BE?

I would not wait for the last minute to write my assignments because you don't do your best work when you are rushing. Furthermore, it just leaves room for stress and anxiety.

WHAT ARE THE PERKS OF DOING YOUR SUBJECT AT UNIVERSITY?

The University of Bedfordshire has amazing media equipment from lighting, cameras, audio facilities and studios. You can also hire the equipment from university stores and keep it for several days.

HOW DO YOU AFFORD UNI, WHAT DO YOU DO FOR MONEY?

For the first 2 months, I was only using student finance but after that, I got a support worker job to get extra money.

WHAT IS THE HARDEST THING ABOUT UNIVERSITY?

Budgeting because for the first time you pay rent, you need to buy groceries, designer clothes and money for night outs.
