

# DISCOVERING YOUR ROAD AHEAD

Your Future in  
Higher Education

## Welcome to the event and thanks for joining.

This guide will take you through some of the key elements and questions which will help you during the event.

On **23rd February** the event will start at **6pm** so please [click here](#) to go to the event.

At the top of the event page you will see the live stream. This will show a variety of valuable information, with videos, animations, interviews with our adult learners and our host, Deborah, guiding you through the two hours.

As you scroll down the page you will see the schedule, links to the 'breakout rooms' and useful links to the three universities. This will help to plan your evening and get the most out of the event.

The breakout rooms will be hosted on Zoom. So for the best experience please download beforehand. You can also watch and participate within more modern browsers (Chrome, Firefox, Safari, Microsoft Edge).

Throughout the evening, running alongside the live stream, will be live talks from various speakers, sharing relevant information about different topics, including student finance, the application process and student support. Times will be published on the page for each of the breakout rooms. Just click on the arrow icon and it will open a new page or tab. For the best experience, please mute the live stream in the main lobby otherwise you will hear this continue to play whilst you are in the breakout room. Once the breakout room has finished, or at your convenience, join us back in the main lobby page and don't forget to unmute the live stream.

We want you to get involved, so please feel free to ask questions. You will have the opportunity to do this in the breakout rooms and honestly, no question is a silly question! If you want to keep your question confidential, then please direct it specifically to the host of each breakout room or a member of Aspire Higher. If you miss out, or think of a question later, please go to the live chat facility on the Aspire Higher website. Feel free to get in touch on social media or e-mail us with your questions beforehand.

We look forward to you joining us on the **23rd Feb** at **6pm-8pm** and hope you enjoy the event.
