Level Up In Life - interactive education animation

Aspire Higher have created a fun new edutainment game, Level Up In Life. Playing the game gives students of all ages a chance to take a journey from Level 3 qualifications (A levels and BTEC) through choosing a University course, completing their degree and getting their start in a graduate career.

Level Up in Life is now available on our [website!](#)

Northamptonshire Year 12 VIP Residential

Date: 19th July

For: Northamptonshire Year 12 students only

Contact: Aspirehigher@northampton.ac.uk

Students will gain an experience of what it is like to live and study at a university whilst engaging in many activities designed to make them think more in depth about the choices they're making and to encourage confidence and independence. This event offers students an overnight stay at waterside campus in the Halls of Residence. Students must be accompanied by a teacher (overnight stay as well).
