Website changes

From September our Aspire Higher chat will end, and will be replaced by more student focused online support on our individual university websites. Here students will have a chance to chat to current students from a variety of universities about courses and student life. For staff who have queries please use our Aspire Higher contact emails on our Contact Us page.

Contact Us Page

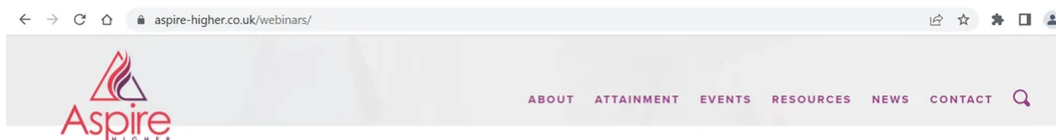

The screenshot shows the 'SPEAK TO CURRENT STUDENTS' section of the Aspire Higher website. At the top left is the Aspire Higher logo. A navigation menu includes 'ABOUT', 'ATTAINMENT', 'EVENTS', 'RESOURCES', 'NEWS', and 'CONTACT'. The main heading is 'SPEAK TO CURRENT STUDENTS'. Below this are three columns, each representing a different university:

- UNIVERSITY OF BEDFORDSHIRE:** Includes a 'ask a student' button and a 'Chat now >>>' link. The text says: 'Speak to current students at the University of Bedfordshire to find out what being a student is really like.'
- UNIVERSITY OF HERTFORDSHIRE:** Includes a 'Chat now >>>' link. The text says: 'Speak to current staff and students at the University of Hertfordshire online to find out what being a student is really like.'
- UNIVERSITY OF NORTHAMPTON:** Includes a 'Chat now >>>' link. The text says: 'Speak to current students at the University of Northampton online to find out what being a student is really like.'

Webinar Recordings

This year we delivered 3 parent and carer webinars and 5 teacher and advisor webinars. We appreciate all those who attended or promoted these to staff, parents, carers and students. Over the summer all the recordings will be edited and placed on our website for people to view. Check back at the end of August to view them on our Webinars page. We will be changing the format of these in September. Please check our beginning of term newsletter for more details.
